Digital Human Library and Terranova Defense Solutions Forge Strategic Partnership to Expand Digital Education Across North America

Toronto, ON — Digital Human Library Inc. (dHL), Canada's premier digital learning experience provider, and Terranova Defense Solutions Incorporated (Terranova), a leader in aerospace and defense innovation, are proud to announce a strategic collaboration aimed at transforming digital education for K-12 students across North America.

Together, the organizations will co-develop and deliver innovative learning experiences through the Center for Continuing Education and Workforce Development at the Borough of Manhattan Community College (CUNY), beginning with the launch of Terranova's Immediate Immersion and Cyber Defense Pilot Program in September 2025...
