HUMAN LIBRARY

Photo/ Video Release Form

The Digital Human Library (*dHL*) is a free educational resource that connects teachers and students with organizations and experts from all over the world. K-12 teachers can browse the library's searchable database and engage students with real experts interested in videoconferencing with their classes.

In an effort to introduce more students to the exciting programs being offered at the _____ Library, the Digital Human Library (*dHL*) will be using videoconferencing technology to connect _____ Library experts with hundreds of students in their schools. During these virtual visits, experts from the library will be sharing information about their programs, upcoming special events, and resources. These presentations may include photos, videos, and/or testimonials from the adults and children that participate.

Release Form

I hereby give permission to the Digital Human Library to use my photographic likeness, and write articles about my participation in programs and/or events hosted by the _____ Library.

I understand that I may be identified by first and last name and grade level. I acknowledge that the information gathered is used as part of the Digital Human Library's communication plan to share newsworthy events that occur in our communities. The Digital Human Library may choose to use the internet as a communication tool, and as a result, photos, videos, or articles written about me and my participation in programs and/or events hosted by the _____ Library may be available online. The Digital Human Library reserves the right to use or discontinue use of my photograph without notice. I hereby waive any right to inspect and/or approve the use of the images, and claim no ownership to them.
